Raventós i Blanc L'Hereu Reserva Brut 2007 Penedès Spain

Having been passed down from generation to generation since 1497, the skills and knowledge that go into Raventós i Blanc are unsurpassed. This engaging winery produces clean and forward wines that combine the best of the old and the new. Like many of Cava's best producers, efforts are focused on the vineyards in a bid to yield the best fruit possible.

Assembled from the traditional blend of Macabeo (60 per cent), Parellada (20 per cent) and Xarel-lo (20 per cent) expect to find a compact wine concealing plenty of bright green apple and lemon sherbet character. In your mouth there is soft stone and citrus fruit flavor, while a charge of tiny bubbles balances things out nicely. The perfect aperitif, or equally brilliant with a dozen natural oysters.
